

## *David Glenn*

**Weekday Afternoons  
3pm-6pm**

**WRBZ – AM 850**

- w Some might call him the encyclopedia of ACC Sports; we just call him Dave G. The man is good, and you can't deny that he has a loyal show following.
- w David serves as host of Sports Saturday but also is Editor/Writer for the *ACC Area Sports Journal* and ACCsports.com.
- w Growing up in Philly, David was exposed to sports at an early age. "Philly is a sports town to its core," says David.
- w What sets Sports Saturday apart from the other shows on the Buzz is David's laid-back style. Listeners are encouraged to share their opinions and speak out for or against other caller comments.
- w Our favorite Philly resident has an extensive sports devotion including the obvious (college basketball, college football, NHL, NFL, MLB, college) and not so obvious (wrestling, only with mud).
- w I could tell you all his favorite teams are from Philly, but you should have picked up on that earlier.
